CS624 - Analysis of Algorithms

Midterm II Review

November 10, 2025

Midterm Exam II

- The midterm exam will take place on Wednesday, November 12, in class.
- Covered material: Medians and Order Statistics, Binary search trees, dynamic programming
- This is HW3 and the DP part of HW4.
- Three questions. Assume every topic will be covered.

- Bring up to ten (or five two-sided) **hand written** notes.
- No books, no computers, no cellphones/smartphones/tablets, strictly no friends.
- It will count towards 25% of your final grade.
- Write clearly (or I'll call you to my office!) and be concise!
