

Computer Science Department Graduate Advising Form

CS-MS Program and Database Technology Certificate

Advising Hold/Course Enrollment: Fill out form and schedule a meeting with your advisor (must have your unofficial transcript during the meeting). Once your advisor has signed the form return it to the Graduate Program Secretary (S-3-132) to have your **advising hold removed and be enrolled** for your chosen courses (**pre-requisites must be met or permission from instructor is needed**). Include an active email for contact regarding additional holds or registration questions.

Student(Please Print):	<input type="checkbox"/> Master's	<input type="checkbox"/> Certificate	Advisor's Name: _____
Last Name: _____	First Name: _____		
Students ID Number: _____	Which Semester:	<input type="checkbox"/> Spring <input type="checkbox"/> Summer <input type="checkbox"/> Fall	Year: _____
Email Address: _____	<input type="checkbox"/> I was in the Navitas Program		<input type="checkbox"/> I am in the PMP Program

CS-MS Program Graduation Requirement:

- Complete a minimum of 30 credits, at least 24 credits of which must be 600-level courses (2 theoretical electives, 5 applied electives, and 3 capstone courses or MS thesis).
- No more than two upper-level (400-level) undergraduate courses may be counted towards the MS Program.
- A GPA of 3.0 must be maintained. Minimum grade for graduate credit is C. No more than 2 grades below B- may count for credit.
- With approval from GPD, MS students may register for CS699 (Research for MS Thesis) to complete the capstone requirement. The student must maintain a GPA of at least 3.5 and pre-requisites is to have a minimum of 15 graduate credits.
- Non-degree courses will not transfer if they are below a B grade.
- Student must complete pre-requisite requirement before being enrolled in the first two capstone courses (CS680 and CS682).

CS- Database Technology Certificate Program Graduation Requirement:

- Complete 12 credits (4 courses): CS615, CS630, CS634 and 1 advanced elective (CS632, CS636, CS637, CS639, CS734, CS738)

Graduate Course Registration Form: CS 696 and CS899

To register for CS696, fill out the form below and have the Graduate Program Director sign below.
Then bring this form to the Graduate Program Secretary, Gemma Galecia (S-3-132) and she will enroll you into the course.

Students Registering for CS 696 Independent Study (please print): Approval signature from the GPD required for enrollment

Supervisor: _____ Current GPA: _____
 Select the semester and fill in the year you will be taking the course: _____ How many credits?
 Semester: Spring Summer Fall Year: _____ 1 2 3
 Topic for the course:

Brief description of required activity:

Students Registering for CS 699 Research MS Thesis:

The student must maintain a GPA of at least 3.5. Approval signature from the GPD and Jun Suzuki are required for enrollment.

Supervisor: _____
 Select the semester and fill in the year you would like to take CS699:
 Semester: Spring Summer Fall Year: _____ Current Cumulative GPA (required. GPA of at least 3.5): _____
 Topic for the course:

Brief description of required activity:

Graduate Program Director Signature: _____ **Date:** _____

PRE-REQUISITE AND CO-REQUISITE INFORMATION

Course	Pre-Requisites	Course	Pre-Requisites
CS410	CS 310 and 320L and any 400-level CS course	CS649	None
CS420	CS 320L	CS651	CS 310 and CS 420 or CS 622
CS444	CS 341 and 310	CS670	CS 310, CS 320L and MATH 470
CS445	CS 341 and 310	CS671	Instructors permission
CS446	CS 341 and 310 and Co-req. CS 444	CS672	Instructors permission
