

Homework Assignment 2

(50 points)

Assigned Date: Monday, February 9, 2009

Due Date: 7:00 PM Wednesday, February 18, 2009

Educational Goal

Become familiar with VBA applications.

Requirements

- Finish all the exercises provided in Chapters 2, 3, 4, 5, 6 of the book “Getting to know ArcObjects.”

Submission Requirements

1. Save each exercise with prefix “my_” before the file name. For example, you should save your results with “ex02a.mxd” as “my_ex02a.mxd.”
2. Zip all the files into one ZIP file and submit the softcopy through your UMassOnline account at <http://boston.umassonline.net/index.cfm>.
3. Name your file with sdm_ lastname_ firstname_ hw2. For example, student John Smith should name his file as *sdm_Smith_John_hw2.zip*.
4. Only softcopies are required for this assignment.
