

History of Mathematics

Homework 8

Ethan Bolker

April 24, 2014

1. Term paper due dates

- Thursday, May 1: paper draft due in class and L^AT_EX in dropbox. I will get comments back to you over the weekend.
- Thursday, May 8: paper draft due in class to trade with classmates for feedback. Presentation draft due in class for me to comment on. (Slides aren't required, but if you want them you may want to learn to use Beamer (http://en.wikipedia.org/wiki/Beamer_%28LaTeX%29)).
- Tuesday, May 13: last class. Feedback to your classmates due.
- Tuesday, May 20, 11:30-2:30. Presentations, in room W01-0031 (our regular classroom).
- Exercise 3.25 in our text.
- Build an elegant timeline for the history of mathematics we've covered this semester. (I will discuss this in class.)
