

Electricity Bills

How to read your electricity bill

Tamworth Electricity

Previous meter reading **5 6 4 7 2**
Present meter reading **5 6 9 4 3**

Number of units used **4 7 1**

Cost per unit (pence) **7.35**

Cost of electricity used **£ 34.62**

Fixed quarterly charge **£ 9.49**

Total Bill **£ 44.11**

This shows the number of units used. This is the same as kWh.

Present reading - previous reading

Number of units x cost per unit.

Cost of electricity + fixed charge
