

When lottery rewards are greater than sales

An example of the disparity in lottery distribution of money to communities.

	Lottery sales in town	Lottery revenue to town
Harvard	\$0	\$1,300,000
Ayer	\$7.8	\$700,000
Littleton	\$5.4	\$655,000
Shirley	\$4.9	\$1,200,000
Groton	\$2.9	\$715,000
Lancaster	\$2	\$880,000
Boxborough	\$1.3	\$230,000
