

2-Engine Audio Control Interface (Gladys Cubilete)

MAGES Team

- + Began working on audio control interface, (pause and play buttons for audio) first demo at (ws12)

<https://www.cs.umb.edu/~gcubilet/>

- + My artifacts under team directory is the code documentation for the demo. Found under /courses/cs410/s26/hdeblois/GROUP2/longproj01/t4-MA/gladys_artifacts
- + Paper topic: back end frameworks
- + future goal: implement volume control (alongside yazeed)
