CS WEBSITE TOUR AND UPDATES

Team:

Krina Chaudhari

Tsering Bhutia

Austin Ashworth

Calvin Chen

Apurva Maheshram

REPOSITORY CONFIGURATION

- Set up repository on GitHub and invite all team members so they can access and contribute.

- Created GitHub Project using the Kanban template.

- Added different view to organize work
  - Table view
  - Board view
  - Roadmap view

- https://github.com/tseer/cs-website

- Update https://www.cs.umb.edu/cs_bs

- Research Topic: How IDEs (VS Code, JetBrains) securely connect to remote servers via SSH.
