Team 6: Digital Signage

Members: Anika, Brandon, Mridhul, Nhu, Syed

Frontend Ideas

Required Modules:

- Time
- Weather Forecast
- Food Menus
- Classes
- Events
- Clubs
- Rotating "ad" content
 - Pictures / videos / animations

Required Features:

- Group devices together to display same content

Design:

- Login page
- Front dashboard to select / create new project
- Able to create content
- Users
 - Admin:
 - can create & display "rotating content modules"
 - can create content
 - Normal Users: only able to create content
- Creating content → Google Slides-esque
