TechConeTracker

► SPRINT OVERVIEW

Client Docs

Read & analyzed TechConeTracker brief

Requirements

Identified & listed project requirements

t1.txt

Created and contributed requirements file

MY CONTRIBUTIONS

- Defined initial system requirements
- Organized requirements into structured .txt files
- Collaborated with team on project direction

PLAN TO WORK ON

- Developing Login Page
- Developing Create Account Page

Research Question: *How should opt-in/opt-out policies be designed to protect author copyright as LLMs ingest published works?*
