

Hagop K

Sprint 1 → March 5 - 10, 2026

- Team 7: CS Server Tour ([Website](#))
- My Personal Artifacts, which are named based on the report they are connected to, can be found in the following directory: `/home/hagket/cs410/Artifacts/`
- During Sprint 1, I worked on a basic team project website. I specifically added subsections for the project, along with a header menu which links to each subsection when clicked.
 - A picture of my contribution to the website can be found at the following address: `/home/hagket/cs410/Artifacts/R12-Website-Contribution`
- For my 5-8 page research paper I plan to write about: **The History of Git & Its Impact on Software Development**
