Snapshot of UI

T-Shaped skills

Before

- Wanted to improve backend skills
- Working on frontend
- TypeScript
- Group collaboration

After

- Frontend
- Group collaboration

Initial comments: `/home/ezec1cb/cs410/1745.txt`

Artifacts (frontend commits): <https://github.com/B8ExploreM/Explore-Minnie/commits/frontend/>

Additional Comments & Plans

Results

- Minimalistic UI for easier navigation for students
- Different ways of learning (Github, documentation, integrated learning in terminal)

Areas for improvement/next steps

- Adding more resources to the frontend
- Potentially adding a FAQs section
- Navbar (if more content gets added)
