

# Stevens L - Greenthumb (Team 4)

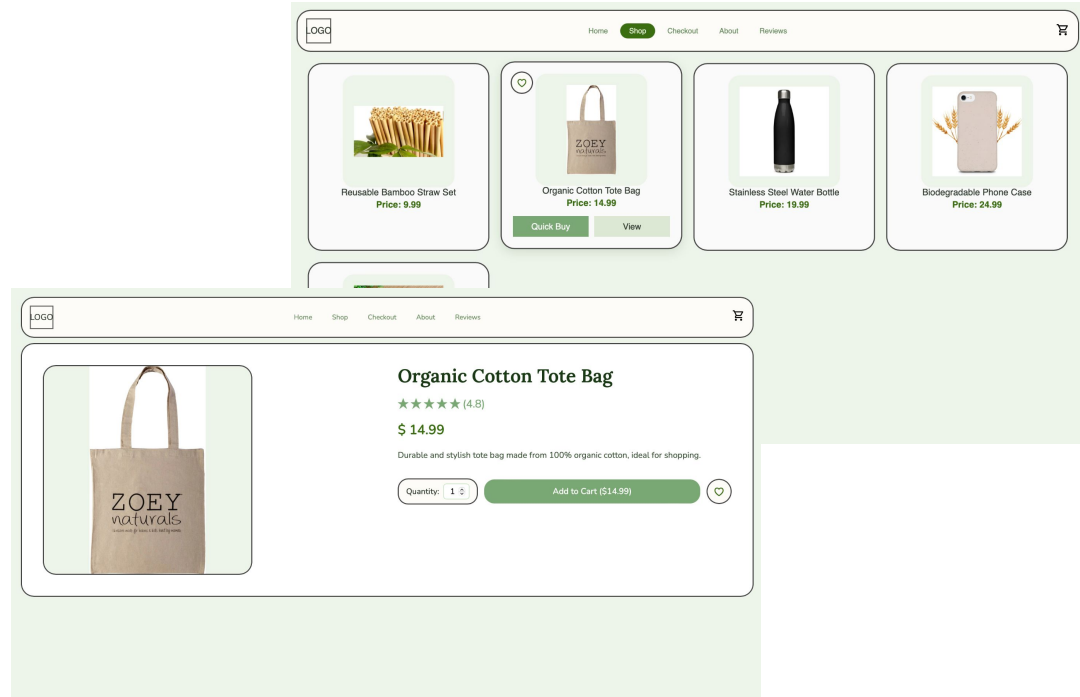

courses/cs410/s26/hdeblois/GROUP2/longpr  
oj02/t4/stevens\_artifact

[Greenthumb website](#)

[Github](#)

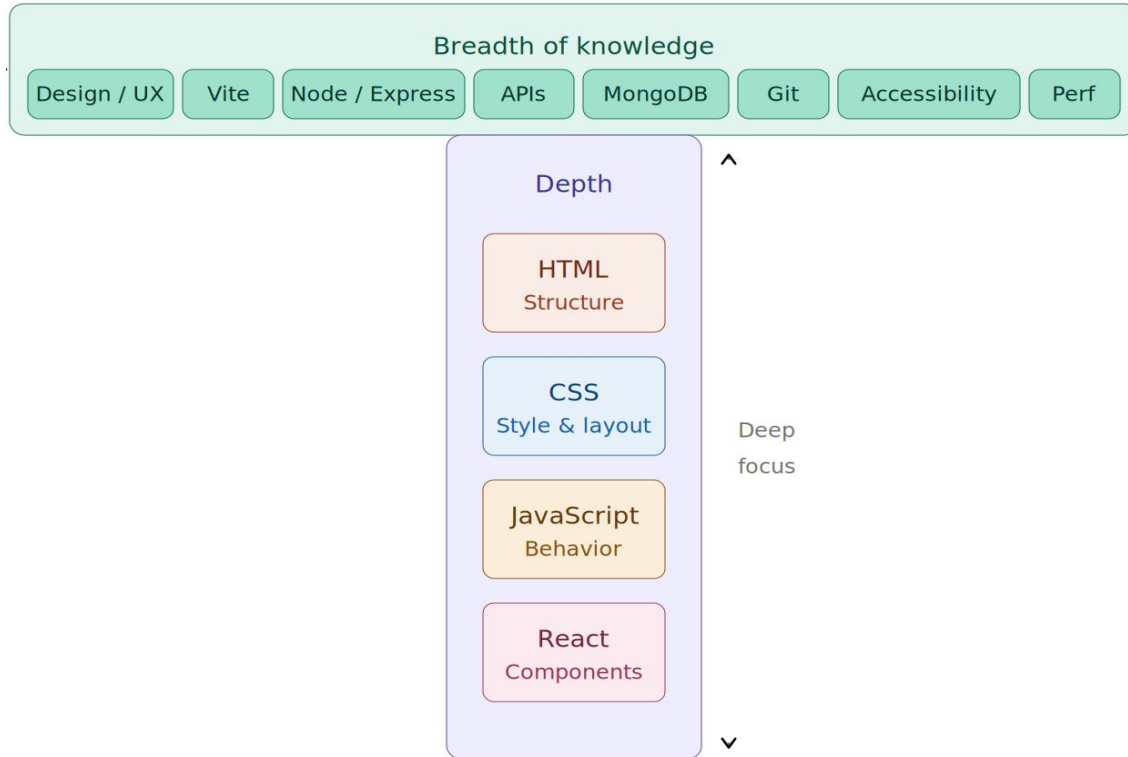

## Main Contributions:

- Dynamic shop page
- Individual item page
- Page styling

# My T-shaped skills

Frontend depth, full-stack breadth

# Additional Plans:

- Integrate liked items into user profile so they are saved
- Linked button from item page to reviews page/pull individual item review on item page
