**1. For hw1, what is your AI Use case?**

See syllabus Use\_case p3 and select one of Case1-none, Case2-ahead, Case3-during or Case4-entire.

By the Provost's Policy, Case3 or Case4 require adding an appendix of generated information. Entries would show small answers for Case3 and a long answer for Case4.

Note: Before submitting hw1.pdf, handwrite any justifications in your proof tables. The appendix will have the typed version(s) and graders will check.

**2. For hw1, what are the names of other students or courses staff that you worked with?**

**3. For hw1, what are the any books or websites you consulted (other than the course textbooks)?**

**4. For hw1, how long did you spend on the assignment (in hours)?**
